★★★★★ (6)

Ships within 1 Business Day

Product Description

✓ Max weight capacity of 6,000 lbs.
✓ 4 separate bays for inventory control & stability
✓ Safety chains securely retain contents

The unassembled 4-bay Global Industrial™ Vertical Bar Rack supports materials in an upright position for easy & quick accessibility. This steel-forged bar rack accepts up to 1,500 lbs. of evenly distributed in each 10"W bay for a total weight capacity of 6000-pounds. The

individual slots keep materials like pipes, boards, trim & molding, conduit, and other long product separated and in an upright position. Limited 1-Year Warranty.

- 4 individual bays keep materials separated & upright for easy access
- Powder coat finish is scratch- & corrosion-resistant
- Floor anchoring recommended for safety & security
- Assembly required. Hardware included
