Universal® Stainless Steel Office Scissors, 8.5" Long, 3.75" Cut Length, Black Offset

★★★★★ (0)

Ships within 1 Business Day

Product Description

Make all of your cutting tasks easier, from common household and office tasks to various pack- and ship applications. Tough, sharp, stainless-steel cutting blades provide precision cutting and excellent durability. They're sharp enough to cut through a variety of materials with ease, whether it's copy paper or corrugated cardboard. Comfortable features a versatile design that allows for either left or right-handed use.
