Product Description

Legacy™ Flexzilla® HFZPW3450M 1/4" X 50' Pressure Washer Hose, M22 FTGs 3100psi

Extreme flexibility under pressure. Flexzilla® is a revolutionary pressure washer hose that redefines flexibility, even under pressure. Unlike other pressure washer hose, Flexzilla® stays flexible when pressurized for use and offers minimal memory when depressurized, so it lays flat and won't work against you before or after use.

Ideal For:

- Landscapers
- Lawn and Garden
- Wash down
- Contractors

Features:

- Extreme flexibility under pressure, from sub-zero to 140°F
- Made of Premium Hybrid Polymer
- M22 female connectors
- Integral non-kink bend restrictor
- Maximum working pressure at 70°: 3100
- 2 year warranty
- Cold water use only
