Ships within 1 Business Day

Product Description

Standout Features:

✓ Polyurethane insulation maintains cold temperatures.
✓ Compact design helps provide cold food storage in tight spaces.
✓ Rolls on casters for easy mobility.

Frozen food storage made for small spaces in the kitchen. The Nexel® Undercounter Freezer is designed to help improve kitchen operations. This unit meets various freezing needs or small space requirements-all with a small carbon footprint. Best suited for restaurants, delis, and ice cream shops. In addition to spacious capacity it also includes an epoxy coated shelf to customize your storage needs. The smooth stainless-steel exterior is durable and simple to clean. A user friendly digital thermostat is embedded into the unit and features pre-programmed controls in addition to an auto-defrost feature. This model uses R290 refrigerant, making it an environmentally confident business choice. 1 Year Limited Warranty.

- Storage capacity: 5.5 cu. ft.
- Color finish: White.
- (4) casters; (2) with brakes for quick placement where needed.
