Global Industrial™ Drum Truck with Four Wheels for 30 & 55 Gallon Steel Drums

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Up to 1,000 lb. weight capacity
✓ Ergonomic design for single user operation
✓ Slim profile allows for use in narrow aisles or tight warehouse spaces

Easily lift and transport 30 and 55 gallon drums with this Global Industrial™ Drum Truck. Made from durable steel, this unit has a unique, four-wheel design that supports the entire weight of the drum, helping to lessen strain on the operator and reduce risk of injury. It

features an ergonomic handle, a kickstand for upright storage, a drum gripping mechadnism, and a curved back that matches the contour of round drums to prevent slipping and improve stability. Ideal for use in warehouses and other industrial facilities, this truck is your solution for safely and efficiently transporting steel, plastic, or fiber drums.

- Industrial-grade 10" & 6" wheels for smooth mobility
- Compatible with steel, plastic, or fiber drums
- OSHA-compliant
