Product Description

Attached Lid Shipping Container 27-3/16"L x 17-1/8"W x 12-1/2"H Blue with Dolly Combo.

Mobilize Your Totes and Containers With This Rugged Plastic Dolly For Added Efficiency.

Distribution Container DC2717-12 With Hinged Lid 27-3/16x16-5/8x12-1/2 Blue

These containers have plastic hinged lids that are permanently attached, interlocking securely for stacking. Molded from high-density FDA approved polyethylene, containers nest with lids open. Handles have molded-in grips. Sold in carton quantities.

Plastic Dolly for Shipping Containers
This extremely rugged dolly features a solid black plastic frame and quality non-marking rubber swivel casters. Use indoors or out with distribution containers measuring 27-1/2" x 16-3/4" x 12-1/2" or with straight walled or folding transport containers with a 24" x 15" footprint. Dolly measures 27-1/2"L x 18"W x 3"H. 500 lb. capacity.
