# Global Industrial™ Magnetic Retractable Belt Barrier, Black Case W/30' Black/Yellow Belt

★★★★★ (1)

Ships Same Day

## Product Description

Enable greater indoor control management for staff, employees, and clients throughout your facility. The Global Industrial® Retractable Belt Barrier is designed with minimal space occupancy in mind, and attaches easily to wall surfaces. Once installed, business owners can easily mark off locations within their business to designate traffic, block off access, or isolate areas. Black/yellow retractable belt extends 30' long.
