Product Description

Easily apply carton sealing tape up to 3" wide with the Global Industrial™ Upper Tape Head. This accessory is ideal for mailrooms, warehouses, factories and similar packaging settings that need specific tape applications. The solidly constructed carbon steel framing is built for long lasting durability alongside the compatible Global Industrial™ Semi-Automatic Random Size Case Sealer. Once the upper tape head is secured to the case sealer, simply slide the corrugated box through the conveyor. The tape head is lightweight, making it easy to store

when not in use. 1 Year Limited Warranty.
