Nexel® Security Unit, Poly-Green, 36"W x 24"D x 66"H, Unassembled

★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

✓ Poly-Green® epoxy coating over zinc-chromate electroplating with anti-microbial finish
✓ Open design minimizes dust buildup & promotes air, light, and sprinkler penetration
✓ Strong wire mesh paired with a secure lockable door provides visibility & security

The 36"W x 24"D x 66"H Nexel® Poly-Green® Security Cage provides a safer, more secure solution for storing valuable equipment and inventory in your warehouse. Constructed from high-quality steel, this unit features a green epoxy powder coat finish over zinc-chromate

electroplating with NEXGard®, an antimicrobial agent that inhibits moisture, chemicals, bacteria, mold, and mildew. Its corrosion-resistant finish makes it perfect for use in wet or dry environments, while the open design with 2" square grid mesh promotes visibility, minimizes dust accumulation, and enhances air & light circulation. Ideal for industrial or commercial settings, this versatile security cage includes a set of lockable double doors, side & back panels, four posts, and adjustable leveling feet. Limited 15-Year Warranty.

- Double doors open a full 270°
- NSF-approved for wet or dry use
- Epoxy finish is rust- and corrosion-resistant
