★★★★★ (0)

Ships Same Day

Product Description

✓ A clockwise rotation turntable allows for quicker, easier, and more secure wrapping.
✓ Object detection switch will automatically stop operation for added safety.
✓ Includes touchscreen programmable logic controller (PLC) user interface.
✓ Can be used with any color stretch film

Increase productivity and eliminate worker strain with the Global Industrial® Semi-Automatic

Stretch Wrap Machine. This steel housed stretch wrap machine is durable and wraps pallets and packaging tightly without damage. Built-in close loop self-adjusting technology ensures each package is wrapped evenly. Equipped with a photo eye sensor for pallet height detection, allows the operator to walk away and return with a wrapped pallet. Additional features such as a power cord, user friendly controls, and forklift pockets for easy handling, make this the ideal wrapping machine for use in warehouses, shipping, and distribution centers. Loading ramp is sold separately. 1 Year Limited Warranty.

- Overall weight capacity: 22 lbs. to 4400 lbs.
- Features a tension knob that allows 150% post stretch.

Includes 10 Free Rolls of Global Industrial Machine Length Stretch Wrap, Cast, 80 Gauge, 20"Wx5000'L, Clear
