Product Description

✓ High-efficiency, low energy consumption R600a compressor
✓ Compact design fits easily on countertops and in tight spaces
✓ Offers flexible storage with 2 adjustable wire shelves & convenient door bins

The Nexel® 1.6 Cu. Ft. Refrigerator is an energy-efficient solution for storing lunches, snacks, and beverages cool where space is limited. Designed with a high-efficiency R600a compressor, this countertop fridge delivers reliable cooling with low energy consumption and quiet operation. Its compact footprint makes it ideal for use in hotel rooms, dorms, campers, and private offices, while two adjustable poly-coated wire shelves and convenient

door storage help keep everyday essentials organized and easy to access. Limited 1-Year Warranty.

- Reversible door hinge enhances flexibility and accessibility
- ENERGY STAR® certified
- Quiet operation helps maintain a comfortable environment
- Adjustable thermostat for customized cooling
- Manual defrost
- Voltage: 110V
- 3-Year Compressor Warranty
