Product Description

✓ Assembles in a left or right-hand configuration
✓ Table holds up to 1,000 lbs.
✓ Bottom shelf is 14" deep and acts as additional storage space

Create more space for DIY projects and tasks with the Global Industrial™ L-Shaped Adjustable Height Workbench. This workbench adjusts from 30-11/16" - 36-13/16" in height

in 1.5" increments, making it easier for users to perform tasks while sitting or standing. Durable steel construction legs ensure years of service and feature removable duplex knockouts on the front and rear for installation of either a hard-wired electrical outlet or an optional plug-in outlet (not included). The bench top is made of high pressure plastic laminate that provides a smooth, tough working surface. This workbench can also be secured to the ground using its floor mounting holes for added stability. Assembly required. 1-Year Limited Warranty.
