Product Description

✓ Simplified push button activation.
✓ Vandal-resistant bubblers.
✓ Corrosion-resistant 316 stainless steel withstands blazing sun and wet weather.

When one fountain isn't going to satisfy your outdoor needs, consider the Global Industrial™ Outdoor Bottle Filling Station with Bi-Level Drinking Fountain. An ideal choice for outdoor recreational areas, school campuses, office complexes, golf courses, and more, this unit

has two drinking fountains and one bottle filling station, allowing three different access points for hydrating patrons, guests, and employees. Each drinking fountain has a vandal-resistant bubbler and a hood guard to prevent contamination and tampering, while the bottle filler helps to reduce the use of disposable plastic bottles. Plus, no electrical power is required, keeping maintenance to a minimum.

- Earthy green powder coat finish.
- Anti-theft screws secure components together.
- Quick refilling station provides minimal splash.
- Fountain is rated for inlet water pressure of 20-105 PSI.
- ADA compliant.
