Product Description

Standout Features:

✓ Solid metal base: no slipping and more stability on packing table.
✓ Holds 1" core labels. 3" core adapters included.
✓ Holds any combination of rolls up to 10" in width.

It's the perfect choice for replacing label dispensers that are strictly table-top bound. The Global Industrial™ Label Dispenser Table or Wall Mount is a conveniently made machine that can help save up space on your shop desk, table or workbench. This machine features a compact size and is lightweight, allowing for minimal space occupancy. Use it as you would for day-to-day packaging tasks where quick labeling helps bring more efficiency to the packaging process.

- Roll Diameter is 6".
- Labels not included.
- This machine is designed to dispense pre-made labels.
- Robust metal construction provides lasting durability.
