Product Description

Nexel® Slant Wire Shelving Suture Cart, 4 Shelves, 36"W x 18"L x 69"H

Nexel® Suture Carts make restocking quick and easy while providing maximum visibility and access. Rear loading design assures stock rotation. Angled shelves allow 400-lb. capacity and adjust in 1" increments. Shelves feature 4-1/4"H retaining lip front to keep contents in place. Total unit capacity 1200 lbs. Includes 4 slanted shelves, two 54" front and

two 63" rear posts and four 5" diameter polyurethane casters (2 with brakes). 45° angle slanted shelves provide easier storage and pick-up. Easy assembly.
