Product Description

Plano181250 Emergency Supply Deep Emergency Dry Box, tough and functional dry boxes are great for tackle, tools, emergency supplies or anything else you might need to keep dry onboard. Built in the USA, these dry boxes feature a special tongue and groove lid to seal out moisture while the water-resistant, urethane O-ring seals secure the lid completely from water. A top-access storage provides ample room for extra storage. Large Lift-Out Tray for small items storage. The over-molded handles with rubberized grips offer easy, comfortable oversized carrying handle no matter how heavy the load. Watertight and water resistant O-

ring seal. Heavy-duty , brass and bailed latch.
