★★★★★ (0)

Ships Same Day

## Product Description

✓ 90° angle is ideal for guarding racks with corners
✓ Bright yellow safety finish for high visibility
✓ Sturdy steel construction for long-lasting durability

Prevent damage to racks, machinery and other structures that don't run straight across your facility with this Global Industrial™ Safety Floor Curb for corners. Made from durable steel, this 5/16" thick safety curb easily bolts into the ground to provide extra protection in your

warehouse. It has a bright, safety yellow finish for visibility and is designed to protect against forklift damage. Limited 1-Year Warranty.

- Simple install for immediate use
- Dimensions: 9"L x 3-1/8"W x 4-15/16"H
- Hardware sold separately
