Product Description

Features:

- **Power:** With over 2,000 ft.-lbs of breakaway torque, they're the most powerful pistol grip cordless impact wrenches on the market
- **Safety:** Remove hoses & trip hazards to keep operators & technicians safe without sacrificing power
- **IQV® Power Control System includes4forward modes:** MAX Power,MID, Wrench, Snug and full power reverse
- **Brushless Motor:** A powerful brushless motor helps remove stubborn fasteners up to 33% faster than our leading competitor

- **Shadowless Light:** A patented 360° ring light around the anvil completely eliminates shadows around fasteners, making your work easier to see
- **Variable Speed Trigger:** Lets you apply the speed you need
- **Durable:** Impact and chemical-resistant housing protects against repeated drops and exposure to shop fluids. IPX6 rated for tough environmental conditions
- **IQV20™ Compatible:** All Ingersoll Rand® cordless impact wrenches are compatible with the IQV20™ battery platform
- **Kit Includes:** W8191 1" Impact Wrench, Hanger Kit, (2) BL2022 5.0Ah Batteries, BC1121 Charger, Charger Cord, Manual
- Rubberized Bumpers Protect from Damage
- Durable Metal Casing
