Product Description

Dixie® Dome Plastic Hot Cup Lids have a sip-through opening to help your customers enjoy hot beverages while helping protect against splashes. Use the condiment identifier to mark the coffee lid for easy identification. The WiseSize™ packaging offers efficiencies for your business, featuring a smaller case size and individually UPC-coded packs for easy delivery or retail sales. Stacking feature makes it easier to carry two cups at a time. Compatible with

dixie single wall cups and Perfect touch®.
