Global Industrial™ Packing Workbench W/Lower Shelf Kit, Laminate Safety Edge, 72"W x 30"D

★★★★★ (1)

Ships within 1 Business Day

Product Description

✓ Plastic laminate top with rounded safety edge
✓ Adjustable-height legs with lower shelf kit
✓ Sturdy steel with protective powder coat finish

Offered here with a lower shelf kit for improved supplies organization, the Global Industrial™ Packing Workbench features a 1-5/8"-thick plastic safety edge top supported by heavy-duty 2" square 14-gauge tubular steel legs that adjust from 29-7/8" to 41-3/4" high with a 5000 lb

payload capacity. Its top is made of high-pressure plastic laminate over a wood-core that produces a durable, easy-to-clean bench top that is resistant to chemicals, solvents, impacts, and scratches. The top is suitable for general work tasks, electronics assembly, light-duty manufacturing, and cleanroom environments.

- Rounded edge reduces injuries & is comfortable to lean against
- Shelf kit includes four carton dividers & a 5"H, full-width shelf
- Legs adjust in 2" increments to accommodate users of different heights
- Adjustable levelling floor glides provide stability on uneven surfaces
- Levelling foot plates enable secure floor anchoring
- Scratch & corrosion-resistant powder coat finish protects steel
- Assembly required. Hardware included
