★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

Standout Features:

✓ Compact-designed, temperature controlling storage unit.
✓ Rolls easily on 4" swivel plate casters.
✓ Flip-up and fold-down doors are lockable for product safety and security.

The Nexel® Milk Cooler is perfect for school cafeterias, cafes, and other areas with kitchens

that serve cold beverages. This cooler holds up to 12 crates thanks to its 18.5 cu. ft. interior. The digital thermostat located on the back of the unit allows temperature adjustment from 33 - 40 degrees Fahrenheit to keep milk and beverages at their optimal temperatures. Single sided, flip-up and fold-down doors are lockable for product safety and security. This unit uses R290 hydrocarbon refrigerant making it an environmentally-friendly business choice. Center drain allows for easy defrosting and cleaning. Durable powder coat finish with stainless steel interior withstands vigorous crate usage. 1 Year Limited Wararnty.

- Temperatures range from 33 - 40 °F.
- 18.5 Cu. Ft.
- Automatic Defrost.
