Nexel® Mircrowave Oven w/Shared-Circuit Interlock, 0.9 Cu. Ft. 900 Watt

★★★★★ (0)

Available on or around 12/08/2026

Product Description

✓ Shared-circuit interlock system intelligently manages power consumption
✓ Delivers 900 watts of power for reheating, defrosting, & express cooking
✓ Built-in tamper-resistant outlet helps reduce shock hazards by blocking access to foreign objects

Quickly and efficiently heat, cook, or defrost food with the Nexel® 0.9 Cu. Ft. Microwave

Oven. Ideal for dorm rooms, offices, hotel rooms, and other hospitality spaces, this UL-certified microwave features electronic membrane touch controls, multiple power levels, one-touch preset cooking options for popular foods, and a child lock for added safety. Delivering 900 watts of power, its compact 0.9 cu. ft. capacity provides ample space for everyday meals, snacks, and beverages. Built for reliability, this unit includes a long power cord for flexible placement and has successfully passed a 6-foot drop test, ensuring dependable performance in high-use environments.

For added convenience, this microwave can be paired with the Nexel® 3.1 Cu. Ft. Refrigerator/Freezer to create a centralized food storage and preparation station. A built-in tamper-resistant outlet and shared-circuit interlock system allow both appliances to operate from a single wall outlet, automatically managing power consumption to help keep the total draw below 15 amps. Limited 1-Year Warranty.

- UL certified
- Removable glass turntable for even heating
- See-through window allows you to view contents
- 6' power cord allows for flexible placement
- Can be paired with the Nexel® 3.1 Cu. Ft. Refrigerator/Freezer (B3781844)
