Global Industrial™ 4 LiFePO4 Hot Swappable Batteries, Dual Dock & Charger System

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Hot swappable system for uninterrupted power supply
✓ Battery life of up to 3,000 lifecycles
✓ Ideal for multiple shifts or 24/7 operation, designed to use with your own industrial cart

Unlock the true potential of your facility with this Global Industrial™ Rechargeable Swappable Battery System. This bundle has everything you need to turn any cart or workstation in a mobile powered workhorse. Ideal for warehouses, manufacturing facilities,

retail and industrial environments where employees are on the move between multiple areas. This robust yet lightweight battery system delivers quiet and continuous AC power for up to 16-hours, depending on the devices used, ensuring your operations run smoothly. When one of your batteries begins to run low, a quick swap with a fully charged one takes mere seconds, keeping your facility running around the clock.

Includes:

- 4 Swappable LiFePO4 Batteries
- Dual Hot Swappable Docking Station
- Dual Charging Station

Battery Specifications:

- Battery Pack: 20 AH LFP (Lithium Iron Phosphate); Supports up to 480-watt hours
- Plug & play power system - no tools, heavy lifting, or maintenance personnel required for battery changes
- Extreme longevity - 5 to 7-year battery life

Specifications

Product Details

Battery Type	Lithium Iron Phosphate
Battery Volt-Amp-Hour Capacity	691Wh
Type	Rechargeable Swappable Battery System
Color	Blue
Amperage	20 A
Battery Recharge Time	2.7 Hours
Batteries Included	Yes
Number of Batteries	4
Run Time	11 Hours
Voltage	25.6 V
Terminals	CAN
Manufacturers Part Number	641908

Batteries	4
Brand	Global Industrial
