Nexel® Pourover Coffee Maker, 2 Warmers without Decanter

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Easy-to-reach water reservoir for quick manual water fill
✓ Dual power switches for brewing & warming
✓ Brews a complete pot in less than 8 minutes & up to 56 cups per hour

This Nexel® Pourover Coffee Maker is your solution to brewing large amounts of coffee for any café, restaurant, or commercial office space. Built for lasting durability, this coffee maker

brews between 190 and 200°F to unlock the full potential of your coffee beans, resulting in a balanced, flavorful-tasting cup of coffee. It has a slim, compact design that is perfect for places with limited counter space and features an easy-to-reach reservoir, a stainless steel funnel, dual power switches, a front plate red indicator light, and (2) independently controlled top and bottom non-stick warmers. Limited 1-Year Warranty.

- Non-stick warmers are independently controlled
- Brews between 190 - 200°F
- Decanter sold separately
- Energy saving up to 68%
- UL & ET-Sanitation Certified
