Global Industrial™ Manual Kraft Tape Dispenser For 8/10"-4"W Tape, Free Case Of Tape

★★★★½ (6)

Ships within 1 Business Day

Product Description

This tape dispenser provides fast and efficient packaging. It reliably supplies precut, pre-moistened tape in adjustable lengths up to 42" with one easy lever stroke (and longer lengths with repeated strokes). This tape dispenser features adjustable water levels, pressure plate and double brush moistening for optimal seals. Its generous water tank reduces refill time. The rugged steel housing for years of service. It accepts virtually any gummed tape in widths from 0.8" up to 4".

Add to cart and get a free case of heavy duty reinforced water-activated kraft tape 375'L x 3"W - 8 rolls per case.
