Global Industrial™ Outdoor Wall Mount Drinking Fountain, Black

★★★★★ (1)

Backordered, expected around 02/03/2027

Product Description

Ideal for outdoor recreational areas, school campuses, office complexes, golf courses and more. Outdoor Drinking Fountains are constructed of corrosion resistant 316 stainless steel to withstand blazing sun, wet weather and wear. Vandal resistant bubbler features a hood guard to prevent contamination and tampering. Anti-theft screws secure the access compartments. No electrical power required. Push button activation for ease of use. Fountain is rated for inlet water pressure of 20-105 PSI. **Attractive Black powder coat**

finish.
