## Product Description

Versa/Deck™ structural foam heavy duty platform trucks are molded for strength and long-term durability. Molded structural plastic decks are steel-reinforced and have exceptional strength-to-weight ratios. Handles are powder-coated steel. These easy to clean platform trucks have excellent chemical resistance, and resist damage from long-term exposure to weather. Versa/Decks™ are available in two sizes - 24" x 48" and 30" x 60", and all have non-skid surfaces. Decks feature four convenient tie down points for securing loads in transit. **Handle A =** All-purpose single handle on one end

**Features:**

- Made in the USA
- Non-skid structural foam deck is easy-to-clean and won't rot, chip or rust
- Four molded-in tie-down slots for securing items during transport
- Steel outside deck handle pockets are welded to underdeck reinforcements. Jam Bolts, standard on all models, hold handles in place
- Under deck steel reinforcements and bolt-on casters provide durability and a weight capacity of up to 2,000 lbs.
  Caster Material: Pro-Tech
- Caster Size: 6"
- Deck Size: 48"L x 24"W
- Handle Configuration: Style A
- Handle Style: Full-width, crossbar, swayback
- Wheel Type: Polyurethane; 2 swivel, 2 rigid
