In Stock, Ships in 3-4 days

Product Description

✓ All-welded steel construction with fire-resistant design for long-lasting use
✓ Adjustable shelf and leveling feet for versatility
✓ Manual-close door with keyed lock for controlled access

The Global Industrial™ Mini Flammable Cabinet is a reliable, space-saving solution for safely storing up to 2 gallons of flammable liquids in any commercial or industrial environment. Constructed from durable 20-gauge double-walled steel, this cabinet features

a 1.5" insulating air space between the inner and outer walls to help reduce fire risk and support OSHA/NFPA compliance. This standalone unit includes an adjustable shelf with an 18 lb. weight capacity, leveling feet for use on uneven surfaces, and a manual-close door with a secure locking system for controlled access. Finished in bright yellow with a highly visible warning label for increased safety awareness, its compact size makes it ideal for tight spaces, service carts, vehicles, and point-of-use storage for maintenance teams, technicians, and safety personnel. No assembly required. Limited 1-Year Warranty.

- Complies with OSHA and NFPA Code 30 standards
- Includes hardware for wall mounting and bungee cords for transport stability
- Ideal for storing cleaners, solvents, oils, and other flammable materials
- Can be fitted with a padlock for added security
- Some states and municipalities may require self-closing doors on flammable safety cabinets; please review your local ordinances prior to purchasing
