# Global Industrial™ Sealless Strapping Tool For 1/2", 5/8" & 3/4"W Steel Strapping, Yellow/Black

★★★★★ (1)

Ships within 1 Business Day

## Product Description

This steel constructed strapping tool reduces the need for seals. The sealless strapping tool can be used for horizontal and vertical strapping of pallets, boxes, cartons and more. The tool can be adjusted to accept different strap widths including 1/2", 5/8" or 3/4". It allows a maximum strap thickness of 0.023". The unit is lightweight at 7.54 lbs. and features a plastic grip for comfortable operation control. The dimensions are 3-5/16"L x 5-1/16"W x 1-1/4"H. This product has limited warranty of 1 year.
