EXCLUSIVE BRANDS SALE

Global Industrial™ Open & Closed Head Drum Lifter 1000 Lb. Capacity

★★★★★ (18)

Ships within 1 Business Day

Product Description

✓ Works with most 30 and 55 gallon drums
✓ 3-point contact adjustable lifting arms
✓ Lifts up to 1000 lbs

Need a drum lifter for both open and closed head drums? Use the Global Industrial™ Open & Closed Head Drum Lifter. This industrial and adjustable drum lifter features limited rotation 3-point contact lifting arms that minimize drum chime deflection when a loaded drum is lifted

without a lid, reducing deformation of the drum. Simply raise the lifter to automatically engage the arms to the rim of the drum to lift a drum; lower the drum to the floor and unfasten the arms to remove. Lifting arms are adjustable to work with most 30 and 55 gallon Open or Closed Head Steel or Plastic (Poly) Drums with at least a 3/16" chime. Durable steel construction. 1-Year Limited Warranty.
