Ships within 1 Business Day

Product Description

Standout Features:

✓ Digital thermostat led display
✓ Adjustable shelving for customizable storage
✓ Swivel casters for easy mobility
✓ Doors are lockable & include 2 keys

Store perishable goods in a commercial refrigerator that's convenient, easily accessible, and manageable. The Nexel® Reach In Refrigerator is a strong contender for providing reliable

cold food and drink storage around the clock. Perfect for high-traffic businesses from convenience stores to quick service restaurants. An embedded digital thermostat with LED display makes it easy to set or change temperatures at will, while the transparent glass door keeps contents visible from a distance. The inside of the fridge features PVC wire-coated shelving to support large quantities of goods. Stainless steel construction.

- 1-Year Limited Warranty.
- 23 Cu. Ft.
- Temperature Range: 33° to 41°F.
