Model: WBB3125288

Adrian's Safety Solutions Rack Safety Strap For 120" Bay, Standard Attachment, 0.90 lbs., Yellow

★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

This safety strap for pallet racking keeps palletized or shrink-wrapped items from pushing into the flue space or falling into an aisle. Attaches to the front or back of the rack without tools or retrofitting. The standard attachment fits teardrop or slotted upright styles.
