Tripp Lite USB 3.0 SuperSpeed Extension Cable (AA M/F), 10 ft.

★★★★★ (1)

Available on or around 11/26/2026

Product Description

Tripp Lite USB 3.0 SuperSpeed Extension Cable (AA M/F), 10 ft.

Tripp Lite's SuperSpeed USB 3.0 10ft Extension cable brings significant performance enhancements to the ubiquitous USB standard, while remaining compatible with the billions of USB enabled devices currently deployed in the market. SuperSpeed USB will deliver 10x the data transfer rate of Hi-Speed USB, up to 5Gbps, as well as improved power efficiency. USB 3.0 utilizes a bi-directional data interface rather than USB 2.0's half-duplex arrangement, where data can only flow in one direction at a time, giving a ten-fold increase

in theoretical bandwidth.

Specifications

Weights & Dimensions

Cable Length	10 in

Product Details

Type	USB Cable
Material	PVC, Metal
Connector End 1 Type	USB 3.0 A Male
Package Quantity	1
Description	USB 3.0 SuperSpeed Extension Cable
Color	Blue
Manufacturers Part Number	U324-010
Connector End 2 Type	USB 3.0 A Female
Brand	Tripp Lite

Warranty

Warranty	Lifetime Limited
