Product Description

The polyester strapping is an ideal alternative to steel strapping. It is made for medium and heavy-duty applications. The strapping retains tension better over a longer period of time and can be sealed with serrated strapping seals, heat welds or friction welds. The dynamic memory allows strapping to conform to shrinking or settling loads. Smooth finish.

Specifications

Weights & Dimensions

Length	2900 ft
Weight	24 lbs
Thickness	0.025 in
Strap Width	1/2 in
Core Size	16 x 3 in

Product Details

Color	Green
Recyclable	Yes
Style	Hand-Grade
Break Strength	775 lb/in
Material	Polyester
Package Quantity	2
Manufacturers Part Number	B1346695
Brand	Global Industrial
