Ships within 1 Business Day

Product Description

Ensure the right cooling temperature for your facility contents. The Global Industrial™ Undercounter Laboratory Refrigerator is designed with simplicity and efficiency in mind, allowing seamless temperature control from a digital operating system. Ideal for labs, medical rooms, pharmacies, and similar facilities. Large front digital Thermostat LED Display is easy-to-read. Transparent glass swing door allows a sharp view of stored contents and materials from a distance. Cylinder lock provides protected access security.

Standard white cabinet and chamber bring a professional appearance to your laboratory or medical space. 1 Year Limited Warranty on parts, 3 Years on compressor.
