Global Industrial™ Stainless Steel Hands Free Wall Mount Sink W/Faucet & Splash Guards

★★★★★ (0)

Ships within 1 Business Day

Product Description

Less contact means better hand hygiene. This is your go-to sink for washing away dirt and grime without touching faucet handles. The Global Industrial™ Stainless Steel Hands Free Sink uses knee valves to run hot or cold water, making it perfect for any commercial, educational, or industrial space where hands or tools need to be cleaned frequently. The deep basin allows elbow-deep scrubbing while keeping splashes within four walls of stainless steel. High backsplash design protects walls from water residue and damage.

Constructed of 18 gauge, 304 stainless steel for maximum corrosion resistance. Includes knee activated water switch and gooseneck faucet. 14"W x 10"D x 5"D basin bowl. Features back-splash, side splashes and basket type drain. 1/2" hot and cold supply. Wall mounting bracket and fasteners included. Easy assembly. NSF Listed. 1 Year Limited Warranty.
