★★★★★ (1)

Backordered, expected around 03/31/2027

## Product Description

These production benches offer the same high quality construction as our heavy duty benches but with the added convenience of locking stackable drawers. High quality industrial work bench is built to last using rugged 2" x 2" x 14 gauge tubular steel **height adjustable legs**. Legs adjust at 2" increments. These workbenches are tested to **5,000 lb. capacity**. 6"H drawer can be mounted to either left or right hand side under the counter top for lockable storage. Secures valuable tools, supplies and more using a cylinder lock with 2 keys. Drawer runs smooth on nylon rollers. Base includes a set of adjustable leveling floor

glides and a set of leveling foot plates that allow floor anchoring. Powder coat finish. Quick and easy assembly.

Bench Includes:

- Lockable Drawer
- Upright Kit with Shelf
