Product Description

Westcott® Titanium Non Stick Scissors, 8" Long, 3.25" Cut Length

8" scissors feature titanium-bonded blades with a unique nonstick, permanent coating. Blades stay sharper longer and resist adhesives from tapes and glues. Use scissors to cut tape, hook-and-loop fasteners or other adhesives. Titanium blades are five times harder than stainless steel, stay sharper longer and are resistant to adhesives such as glue, adhesive tape and touch fasteners . Straight handles are made with plastic along the

exterior perimeter and rubber along the interior grip for comfort. Use for right-handed or left-handed cutters. Scissors are ideal for the mailroom, art room and scrapbooking. Cut Length: 3 1/4"; Scissor Length: 8"; Tip Type: Pointed.
