Product Description

Interion® By Global Industrial Mobile Partition Panels allow you to divide a work area in any office or commercial setting. Each double sided unit has tackable fabric and is flame retardant to meet the California 117 flammability standard. 1-3/4" thick upholstered panel features an interior engineered wood (MDF) frame and honeycomb core for structural strength and support. Panel trim is finished with self-extinguishing extruded polymer that offers optimum safety and rigidity. Mobile Panels sit atop steel T-legs on sturdy 3" swivel

casters (all locking) that provide full mobility and allow easy transport from area to area. Mobile Panels with **windows** include a 5mm thick translucent polycarbonate inset which allows light in while still maintaining privacy, bringing an elegant and upscale look to any office space. Coordinates with Interion®'s complete line of office partition panels. 1 Year Limited Warranty.
