Global Industrial™ Polywoven Dunnage Air Bags, 2 Ply, 36"W x 66"L - Pkg Qty 25

★★★★★ (0)

Ships within 1 Business Day

Product Description

These dunnage airbags are designed to absorb impact and provide content protection for packaging, distribution, warehouse, and other applications. The recycled, high strength polywoven construction is moisture and pressure resistant, making these airbags both cost effective and durable for reliability. The bags include a push and lock valve for rapid deflation and air leakage prevention. The inflator quickly inflates airbags ensuring consistent pressure levels (sold separately). AAR level 1 certified.

Specifications

Weights & Dimensions

Length	66 in
Width	36 in
Weight	0.8 lbs
