Global Industrial™ Plastic Trash Can, 44 Gallon, Brown

★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

✓ Leak-proof can allows for easy cleaning and waste disposal
✓ Dual grip handles make handling and lifting easy
✓ Heavy-duty, corrosion-resistant polyethylene resin won't chip, dent or peel

Improve your cleanup operations with the Global Industrial™ Plastic Utility Trash Can. This durable polyethylene resin trash can is built to last and won't corrode, chip, crack, or peel, making it ideal for use in warehouses, industrial environments, outdoor spaces, garages, construction sites and more. The rolled formed top rim is reinforced for added strength while the rib reinforced base increases stability. Trash cans will nest when empty for compact and

convenient storage. Users can cover up foul odors with the optional Global Industrial™ Plastic Trash Can Lid, 240463BN (sold separately). NSF/ANSI 21 approved. 1-Year Limited Warranty.

- Capacity: 44 Gallons
- Dimensions: 24" Diameter x 31-1/2" H
- Suitable for Indoor and Outdoor use
