Product Description

✓ Max weight capacity of 3,000 lbs.
✓ Three 10"W bays for inventory control & stability
✓ Safety chains securely retain contents

The 3-bay Global Industrial™ Vertical Bar Rack supports long materials in an upright position for easy & quick accessibility. Made of strong and sturdy steel with a powder coat

finish, it can hold up to 3000 lbs. of evenly-distributed weight across the three 10"W bays, making it ideal to keep materials like pipes, boards, trim & molding, conduit, and other long product separated and in an upright position. The bottom of the rack has a 1-1/2"H lip to prevent stock from sliding out the bottom and it comes with a safety chain on the middle arms that holds items in. Behind each set of arms is a pan shelf to hold cutoffs or shorter pieces horizontally. Limited 1-Year Warranty.

- 3 individual bays keep materials separated & upright for easy access
- Safety chain has a carabiner at the end for easy access when needed
- Powder coat finish is scratch- & corrosion-resistant
- Floor anchoring recommended for safety & security
- Assembly required
