Ships within 1 Business Day

Product Description

✓ Double-pane dual sliding glass doors provide full visibility & easy access to goods
✓ Digital thermostat & display enable precise temperature control and unit status
✓ Safely and efficiently displays cold food & drinks

A mainstay of cafeterias, markets, delis, and more, this Nexel® Merchandiser Refrigerator ensures a temperature-controlled environment for cold food and drinks while providing patrons with full access to the interior. Built for lasting durability, this refrigerator has a powder-coated steel exterior and a high-capacity 45 cu. ft. aluminum interior. It rolls

smoothly on 3" casters and is equipped with LED illumination, double-pane dual sliding glass doors, PVC-coated adjustable wire shelving, easy-to-use temperature controls, and a bottom-mount compressor with a front access panel. Limited 1-Year Warranty.

- (4) Swivel casters, two of which are locking, for easy maneuverability
- Temperature ranges from 33°F - 40°F
- Interior LED lighting allows patrons to make their selection without opening the doors
- 8' cord plugs into a standard 3-prong grounded U.S. outlet
- cUL- & NSF-certified and DOE-tested
