Global Industrial™ Pallet Rack Wire Decking, 46"W x 48"D (3100 lbs cap) Gray

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ 3100-pound weight capacity
✓ Three 14-gauge reinforcing channel supports
✓ Recommended for beams with 1-1/2" or 1-5/8" step

Made with 2-1/2” x 4” wire mesh and three 14-gauge reinforcing channel supports, this 46"W x 48"D Global Industrial™ Pallet Rack Wire Decking has a 3100-pound weight

capacity to easily hold heavy parts, equipment, tools, and components without bending or breaking. It is fully welded and finished with a gray baked-enamel to give it strength, corrosion-resistance, and a long service life. Unlike solid wood or metal decking, wire mesh permits light, air, and sprinkler penetration, provides a clear view of upper tiers, and minimizes dust & debris accumulation. Installing the decking is easy, simply drop it into place over the front and rear beams.
