Product Description

✓ Rounded, safety-edge maple Boos butcher block by John Boos & Co.
✓ High weight capacity to handle most projects and tasks
✓ Adjustable-height C-channel legs

A workman's dream bench. This solid, rugged top stands up to constant, heavy pounding. Hardwood is kiln dried, electronically glued, sanded to 1-3/4" thickness and has laminated

edges. Finished with a penetrating mineral oil for a durable high quality appearance. Adjustable height legs feature removable duplex knockouts on front and rear for installation of either a hard wired electrical outlet or an optional plug-in outlet that easily screws into place with no wiring necessary. Steel parts are finished with scratch resistant black powder coat Bench stringer comes with mounting hardware to assemble legs to the bench top.

Leg height adjusts in 1-1/2" increments.
