Global Industrial™ 50'L Vertical Lifeline

★★★★★ (0)

Ships Same Day

Product Description

✓ 5/8" low-stretch 3-strand twisted rope
✓ Polyester blend
✓ Alloy steel snap-hook

Get the strength you need to compete the job right with the Global Industrial™ 50'L Vertical Lifeline. Constructed with 5/8" low-stretch 3-strand twisted rope and a premium polyester blend this life line reduces kinking and hockling. A steel thimble and splice-protecting shrink tube are included for long-lasting durability, while the alloy steel snap-hook provides a

reliable anchorage connection. The taped end is ideally suited for pairing with non-hinged arresters and adjusters. ANSI Z359.15-2014 compliant. 1-Year Limited Warranty.

- We've partnered with FallTech® to bring you the best in safety protection for you and your business.
