✓**DURABLE DESIGN:** Constructed with metal and high-impact plastic to create a long-lasting tool
✓**TAPE SIZE:** 2-inch wide tape roll

Scotch® Box Sealing Tape Dispenser H180 is a portable, hand-held tape dispenser. This box sealing tape dispenser comes with a pistol-grip design for easy application. Tack, roll, buff and tear in one fluid motion. The lightweight and rugged construction of this box tape dispenser creates a durable, yet portable, tool for sealing, combining, reinforcing and bundling.

Quick and Comfortable Tape Gun
Lightweight and durable, Scotch® Box Sealing Tape Dispenser H180 is a portable, easy-to-operate, hand-held tape dispenser. This packaging tape dispenser has a pistol-grip design that allows the operator to apply, cut and buff tape in a fluid, one-hand motion. Scotch® Box Sealing Tape Dispenser H180 is constructed of metal and durable plastic, tough enough to operate in high-volume shipping environments. The adjustable, hub-mounted tape brake allows for control of tension and delivery for effective sealing of packages and helps the operator dispense the tape along the box seam, preventing waste. Scotch® Box Sealing Tape Dispenser H180 allows for 2 inch / 48 mm wide tape for box sealing tape applications and can dispense up to a 60 yds. / 55 m roll of box sealing tape.

Recommended Applications
Scotch® Box Sealing Tape Dispenser H180 is a necessary tool wherever products are processed, repackaged or prepared for distribution. Warehouses, industrial plants, e-commerce shipping operations and retail distribution outlets are just a few of the places where these tools are used.

Applications include:
- Carton sealing
- Box sealing
- Combining
- Reinforcing
- Bundling operations

An Essential Tool of Superior Sealing
Scotch® Box Sealing Tape Dispenser H180 is an essential tool for those who are looking for a lightweight, portable, hand-held tape dispenser. Easy-to-use, you can tack, roll, buff and tear in one fluid motion. We designed this box tape dispenser to be a durable solution that offers consistent and superior performance.
