★★★★★ (0)

Ships within 1 Business Day

Product Description

Interion® By Global Industrial raceway partitions create private offices and cubicles. Raceways provide convenient access for data cables & electrical wiring to keep office spaces clean and clear of visible wires. Electric and non-electric panels can be connected together to only place power where you need it. Non-Electric Panels include a basic raceway without cabling. Panel is flame retardant to meet California 117 flammability standard. 1-3/4" thick fabric upholstered panels feature an interior engineered wood (MDF) frame and honeycomb core covered with heavy tackable liner for structural strength. 4"H

Black powder coated steel raceways include cable management openings for phone & data cables. Removable raceway covers allow easy wiring access. **Windows** are made of translucent polycarbonate material which allows light to come in while still maintaining privacy. Window frame is approximately 3/4" wide. Includes adjustable leveling feet for uneven surfaces. 1 Year Limited Warranty.
