Global Industrial™ Safety Quick Coupling, European High Flow Interchange, 3/8" MNPT - Pkg Qty 10

★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

✓ High-flow profile connection reduces bottle neck to the tool increasing CFM at point of use.
✓ Includes anti-hose whip technology for added safety.
✓ Non-scratch, anti-static, silicone free construction.

Ensure top-notch performance of your air tools with the Global Industrial™ Safety Quick Coupling. Its lightweight design prevents user fatigue and is easier to grip and disconnect

after use. Operators can simply follow the arrows on the coupling and move the collar back to release pressure and forward to release the plug safely. The composite body is silicone free, durable, and able to withstand harsh working conditions, making it ideal for use in Industrial manufacturing as well as automotive assembly lines, body shops, textiles, wood working, electronics, and more. OSHA compliant (ISO 4414). 1 Year Limited Warranty.

- 3/8" MNPT connection.
