Global Industrial™ Paramount® 1-Tier 1 Door Locker, 12"W x 12"D x 66"H, Tan, Assembled

★★★★★ (7)

In Stock, Ships in 3-4 days

Product Description

Engineered for years of heavy-duty service. The lockers feature 16 gauge steel doors, 5-knuckle security hinges, quiet operation latch mechanism, and welded, reinforced frame-and-door assemblies for maximum security. The quality locker has a secure 3-point positive locking system, hat shelf, chrome door latch for smooth fingertip opening and one double and two single-prong coat hooks (the 18" deep model also includes a coat rod.) Generously sized louvers promote ventilation. Legs add 6" to height. Durable, attractive powder coat finish. Lockers feature finished sides; no need for decorative end panels. Lockers must be

anchored securely to floors. 1-wide and 3-wide lockers have four foot plates included. Foot plates bolt to outside locker leg supports and maybe anchored to the floor. Anchors sold separately. **Includes blank number plates. Assembled lockers are not returnable.**

Optional locker accessories (Numbered Plates, Closed End Bases, Slope Top Kits and Locks) sold separately. Due to various layouts you may select, locker accessories ship in a separate box. Install Numbered Plate by simply removing the blank number plate.
